Terms & Conditions
Picnic Shelters, Pavilions, & Gazebos

- Park hours: Dawn till dusk
- Please take your receipt with you on the day of the rental in case others are using the shelter. If the reservation is made at least a week in advance, a park sign showing your rental will be played at the park. If your reservation is made 3-7 days before the event, a park sign may not be posted. If people in the shelter refuse to leave, please call 911.
- No refunds are given for inclement weather.
- Restrooms may be located near the shelter. We suggest bringing additional toilet paper.

- Park grill may be used to prepare food. Do not dump ashes on the ground. Please properly dispose of ashes.
- Animals must be leashed unless in a dog park
- Please place all trash in trash receptacles and recyclables in recycling containers
- Please leave the picnic shelter and park grounds in good condition before you leave
- The rental of a shelter, pavilion, or gazebo does not include the use or access of adjacent soccer fields or ballfields. Fields may be rented separately.

PROHIBITED ITEMS / ACTIVITIES
- No alcoholic beverages or drugs allowed at park
- No inflatables (also known as "bounce houses")
- No loud music or music with offensive language
- No setting up tents or canopies

RENTAL TYPE:
- Most rentals are for birthday parties, baby showers, wedding showers, family reunions, company outings, etc. Please contact KPRD if your event may be considered a "special event".
- "Special Events" require the person or group renting the facility to provide a Certificate of Insurance covering the City of Knoxville. Please contact KPRD at (865) 215-1733 for more information. Failure to inform KPRD and provide insurance coverage for the event if any of the following are true will result in immediate cancellation of the event and no refund will be given:
    o Over 100 people are expected to attend
    o The event is raising funds or charging fees to participate (run/walk, for example)
    o The event is a wedding ceremony and/or wedding reception
